South Australia Fire Sprinkler Test & Inspect Registration Course Information Sheet

Who is this Course for?

This course is for experienced fire protection technicians people who 'test and inspect' fire sprinklers or fire suppression systems in South Australia

Is this training recognised?

The Units of Competency included in this course is Nationally Recognised Training. It is recognised throughout Australia and is equivalent to courses offered by TAFE colleges and industry organizations. These courses can be a pathway to the CPP20511 Certificate II in Fire Protection Inspection and or CPP30811 Certificate III in Fire Protection Inspection and Testing.

What prerequisites/enrolment requirements does this Course have?

There are no formal prerequisites. For the assessment the participant must provide all systems and/or equipment for assessment.

What skills and knowledge will I have after I complete this Course?

At the completion of this Course you must be able to undertake inspection and testing of specific fire systems that meet the requirements of the relevant Australian Standards.

How will I learn?

No training is provided. Prior to undertaking assessment an individual is required to have all the skills and knowledge to complete the assessments. Training can be provided at additional cost if you do not have the required skills and knowledge. Workshops are held in various locations in South Australia. Contact us for dates of nearby workshops and workshop duration.

What sort of assessments are there?

Assessment techniques include oral questions, simulated activities, assessor observation, written assessments and practical assessments. For Assessment Only the participant must provide all systems and/or equipment for assessment.

Can I get RPL if I already have the required skills and knowledge?

Yes, your previous learning and current work experience may be used to satisfy all or some of the course requirements by using a Recognition of Previous Learning (RPL) process or alternatively you may undertake the Assessment only option. Contact us for further information.

How long will it take to complete and how much does it cost?

The time required and price will depend on the units undertaken and your previous experience. Costing can be found below. (Prices valid at 30/10/2017)

How do I apply to enrol?

Enrolment can be completed on our website at www.pit.edu.au/app/. Enrolment will not be confirmed until payment has been made. Deposits will be refunded for unsuccessful enrolments.

What other information do I need to know?

The PIT Student Handbook contains additional information including but not limited to course fees, payments, enrolments, refunds, substitutions, cancellations, complaints and appeals, training and competency based assessment, being reassessed, RPL, mutual recognition, student welfare, student details privacy, student rights, student responsibilities and OHS.

Am I guaranteed to either receive my qualification or that I will get a job?

Pacific Institute of Technology only guarantees that it will provide training and assessment. Pacific Institute of Technology DOES NOT guarantee that you will receive your qualification OR guarantee you will get a job OR you will receive a license from the South Australian government.
