# CPP30821 Certificate III in Fire Protection Inspection and Testing Information Sheet

## Who is this Certificate III for?

This Certificate III is for people who are, or aspire to be, fire protection technicians who undertake inspection and testing of gaseous fire suppression systems stream and a water based suppression systems.

## Is this Certificate III recognised?

This Certificate III Fire Protection Inspection and testing is a Nationally Recognised Training Course. Its course code is CPP30821. It is recognised throughout Australia and is equivalent to courses offered by TAFE colleges and industry organizations. Specific electives satisfy the technical qualifications for Occupational Fire Licences in various states and for Fire Industry Accreditation Schemes.

## What subjects are there?

Subjects (Units of Competencies) You need to do the 6 Core subjects AND 10 Elective subjects. You must undertake a minimum of 4 Group A Electives, a maximum of 4 Group B subjects and a maximum of other listed elective subjects.

## What prerequisites /enrolment requirements does this Certificate III have?

There are no formal prerequisites. As the water based suppression systems stream is currently only offered by assessment only you need to have all the skills and knowledge for these subjects prior to enrolment and you must provide access to site/s with appropriate fire equipment to undertake assessments. You also need a computer with a printer, email access, a word processor program and the ability to use these items.

## What skills and knowledge will I have after I complete this Certificate III?

At the completion of this Certificate III you must able to undertake inspection and testing of specific fire systems that meet the requirements of the relevant Australian Standards

## How will I learn?

Learning is by various pathways but usually involves face-to-face workshops and pre and/or post workshop activities. Contact us for dates of nearby workshops. There are different pathways that suit different types of participants.

**Training and Assessment Options** (Note: Not all Options are available for all units)

**Face-to-Face Training & Assessment** – An option where Training and Assessment is undertaken completely face-to-face. For participants with limited experience or want a structured learning.

**Online Training & Face-to-Face Assessment** – An option where Training is undertaken online and then undertaken face-to-face assessment. For participants who work independently.

**Online Training & Assessment** – An option where Training and Assessment is undertaken completely online. This pathway suits participants who can work independently.

**Assessment Only**– An option where Assessments are undertaken face-to-face. For participants with extensive experience and already possess the required knowledge and skills

## What sort of assessments are there?

Assessment techniques include oral questions, simulated activities, assessor observation, written assessments and practical assessments. For External Training and Assessment and Assessment Only Options the participant must provide all systems and/or equipment for assessment.

## Can I get RPL if I already have the required skills and knowledge?

Yes, your previous learning and current work experience may be used to satisfy all or some of the course requirements by using a Recognition of Previous Learning (RPL) process or alternatively you may undertake the Assessment only option. Contact us for further information.

## How long will it take to complete and how much does it cost?

The time required and price will depend on the units undertaken and your previous experience. Costing can be found below and on page 2. (Prices valid to 30/4/2021)

## How do I apply to enrol?

Complete the Online Enrolment Application Form. Pay the course deposit. Deposits will be refunded for unsuccessful enrolments.

## What other information do I need to know?

The PIT Student Handbook contains additional information including but not limited to course fees, payments, enrolments, refunds, substitutions, cancellations, complaints and appeals, training and competency based assessment, being reassessed, RPL, mutual recognition, student welfare, student details privacy, student rights, student responsibilities and OHS.

## Am I guaranteed to either receive my qualification or that I will get a job?

Pacific Institute of Technology DOES NOT guarantee that you will receive your qualification only that it will provide training and assessment and DOES NOT guarantee you will get a job. We also do not guarantee you will receive FPAS accreditation.

# CPP30811 Certificate III in Fire Protection Inspection and Testing Information Sheet

## Core Units - *ALL Core units to be undertaken*

BSBPEF301	Organise personal work priorities
CPPCMN2002	Participate in workplace safety arrangements
CPPFES2004	Identify and report on types of installed fire safety equipment and systems
CPPFES2005	Demonstrate first attack firefighting equipment
CPPFES2006	Prepare for installation and servicing operations
CPPFES2007	Maintain quality of work and promote continuous improvement
<b>Assessment Only \$700</b>	<b>Online Training &amp; Face-to-Face Assessment \$1000</b>

## Individual Core Units - *price per unit*

<b>Assessment Only \$150</b>	<b>Online Training &amp; Face-to-Face Assessment \$200</b>
------------------------------	--

## Elective Units - a MINIMUM of 10 elective units to be undertaken

These individual units may be undertaken during this Certificate III or individually

### Group A Elective Units - a MINIMUM of 4 Group A elective units

CPPFES2003	Safely move loads and dangerous goods
<b>Assessment Only \$225</b>	<b>Online Training &amp; Face-to-Face Assessment \$300</b>
CPPFES2047	Inspect and test control and indicating equipment
<b>Face-to-Face Training &amp; Assessment \$400</b>	
CPPFES3044	Interpret installation requirements for gaseous fire-suppression systems
<b>Assessment Only \$500</b>	<b>Online Training &amp; Face-to-Face Assessment \$1400</b>
CPPFES3045	Install gaseous agent containers and actuators
<b>Assessment Only \$500</b>	<b>Online Training &amp; Face-to-Face Assessment \$1400</b>
CPPFES3046	Decommission gaseous agent containers and actuators
<b>Assessment Only \$500</b>	<b>Online Training &amp; Face-to-Face Assessment \$1400</b>
CPPFES3024*	Inspect and maintain portable foam-generating equipment
<b>Assessment Only \$500</b>	
CPPFES3032*	Conduct enclosure integrity testing
<b>Assessment Only \$800</b>	
CPPFES3038*	Inspect, test and maintain portable fire monitors
<b>Assessment Only \$800</b>	
CPPFES3040*	Install passive fire and smoke containment systems
<b>Assessment Only \$800</b>	
CPPFES3042*	Install and commission pre-engineered fire suppression systems
<b>Assessment Only \$800</b>	
CPCPFS3022*	Conduct annual functional testing of complex water-based fire-suppression systems
<b>Assessment Only \$1200</b>	
CPCPFS3023*	Conduct functional water flow testing
<b>Assessment Only \$1200</b>	

### Group B Elective Units - a MAXIMUM of 4 Group B elective units

BSBHRM413	Maintain workplace safety
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
BSBLDR301	Deliver and monitor a service to customers
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
BSBOPS301	Maintain business resources
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
BSBOPS304	Deliver and monitor a service to customers
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
BSBSTR301	Contribute to continuous improvement
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
BSBWHS311	Assist with maintaining workplace safety
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
BSBXTW301	Work in a team
<b>Online Training &amp; Face-to-Face Assessment \$500</b>	
HLTFA301C	Apply first aid <i>Can be obtained from another RTO and used as an elective</i>

### Other Elective Units - a MAXIMUM of 4 Group B elective units

CPCCWHS2001	Apply WHS requirements, policies and procedures in the construction industry
<b>Online Training &amp; Assessment \$500</b>	
CPCBC4012	Read and interpret plans and specifications
<b>Online Training &amp; Assessment \$500</b>	
CPCPCM4013	Produce 2-D architectural drawings using CAD software
<b>Online Training &amp; Assessment \$500</b>	
CPCPFS3020*	Conduct basic functional testing of complex water-based fire-suppression systems
<b>Assessment Only \$800</b>	
CPCPFS3021*	Inspect and test fire pumpsets
<b>Assessment Only \$800</b>	
CPPFES2025A	Inspect, test and maintain gaseous fire-suppression systems
<b>Assessment Only \$3000</b>	<b>Online Training &amp; Face-to-Face Assessment \$1600</b>
CPPFES2043A	Prevent ozone depleting substance and synthetic greenhouse gas emissions
<b>Online Training &amp; Assessment \$250 Online Training &amp; Face-to-Face Assessment \$400</b>	

**NOTE:** For subjects followed by an \* the participant must provide ALL equipment for assessment
