# Extinguishing Agent Handling Licence (EAHL) Courses Information Sheet

## Who are these Extinguishing Agent Handling Licence (EAHL) courses for?

This course is for experienced fire protection technicians seeking a EAHL - Qualified Persons Licence. Pacific Institute of Technology can provide training and assessment that are required as part of the EAHL - Qualified Persons Licence process. There may be additional requirements that must be satisfied prior to obtaining a EAHL - Qualified Persons Licence. Licences, relating to the fire protection industry are issued by the Fire Protection Industry (ODS & SGG) Board For further information go to [www.fpa.com.au/ozone](http://www.fpa.com.au/ozone).

Pacific Institute of Technology is a training provider and does not have any association with the Fire Protection Industry (ODS & SGG) Board.

## Is this training recognised?

The Units of Competency included in these courses is Nationally Recognised Training. It is recognised throughout Australia and is equivalent to courses offered by TAFE colleges and industry organizations. Specific electives may also satisfy the technical qualifications for Occupational Fire Licences in various states.

## What subjects are there?

Subjects (Units of Competencies) have been arranged into 2 sections, Core and Categories. You need to complete 3 (if you have a 'Green Card') or 4 core subjects and a specific set of elective/s depending on the Category of registration you are seeking.

## What prerequisites/enrolment requirements does this Course have?

There are no formal prerequisites. You also need access to a computer with a printer, email access, a word processor program and the ability to use these items. For External Training and Assessment and Assessment Only Options the participant must provide all systems and/or equipment for assessment.

## What skills and knowledge will I have after I complete this Course?

At the completion of this Course you must able to undertake inspection and testing (and installation depending on the units undertaken) of specific fire systems that meet the requirements of the relevant Australian Standards.

## How will I learn?

Learning is by either Online Training & Face-to-Face Assessment OR by external training which includes using the provided learning material and undertaking assessments. Students undertaking face to face are provided with workshops to assist them to undertake your course. The workshops duration is stated below. Workshops are held in Adelaide, Brisbane, Melbourne, Perth and Sydney. Contact us for dates of nearby workshops.

## What sort of assessments are there?

Assessment techniques include oral questions, simulated activities, assessor observation, written assessments and practical assessments. For External Training and Assessment and Assessment Only Options the participant must provide all systems and/or equipment for assessment.

## Can I get RPL if I already have the required skills and knowledge?

Yes, your previous learning and current work experience may be used to satisfy all or some of the course requirements by using a Recognition of Previous Learning (RPL) process or alternatively you may undertake the Assessment only option. Contact us for further information.

## How long will it take to complete and how much does it cost?

The time required and price will depend on the units undertaken and your previous experience. Costing can be found below and on page 2. (prices at 01/04/21)

## How do I apply to enrol?

Download and complete an Expression of Interest Form from [www.pit.edu.au](http://www.pit.edu.au), and email to [admin@pit.edu.au](mailto:admin@pit.edu.au). An Enrolment Application Form and PIT Student Handbook will be emailed to you. Read both documents. Complete the Enrolment Application Form and email to [admin@pit.edu.au](mailto:admin@pit.edu.au). Pay the course deposit. Deposits will be refunded for unsuccessful enrolments.

## What other information do I need to know?

The PIT Student Handbook contains additional information including but not limited to course fees, payments, enrolments, refunds, substitutions, cancellations, complaints and appeals, training and competency based assessment, being reassessed, RPL, mutual recognition, student welfare, student details privacy, student rights, student responsibilities and OHS.

## Am I guaranteed to either receive my qualification or that I will get a job?

Pacific Institute of Technology DOES NOT guarantee that you will receive your qualification only that it will provide training and assessment and DOES NOT guarantee you will get a job. We also do not guarantee you will receive a EAHL Licence.
